ADVANCED ANNUAL NOTICE

Dear Patient,

You are scheduled for your annual pap smear, breast and pelvic examination today. Our normal fee for this service is $160 for established patients and $200 for new patients. Any lab work (pap smear, blood work) that may be associated with the exam will be billed by the laboratory directly. **If you have health insurance that we will be billing for you today and you do not have a benefit for this exam, you will be responsible for this fee.** The laboratory will bill you separately for those charges.

If you have other medical concerns not related to your annual exam that you would like to discuss with the doctor at the same time and it meets necessity to bill additionally for this service, we will do so. By signing this form, you are confirming your agreement to assume financial responsibility for payment of these charges should your insurance find them not medically necessary or non-covered.
